Text: John 1:(1-9) 10-18 (NRSV)

In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God. 3 All things came into being through him, and without him not one thing came into being. What has come into being 4 in him was life, and the life was the light of all people. 5 The light shines in the darkness, and the darkness did not overcome it.

6 There was a man sent from God, whose name was John. 7 He came as a witness to testify to the light, so that all might believe through him. 8 He himself was not the light, but he came to testify to the light. 9 The true light, which enlightens everyone, was coming into the world.

10 He was in the world, and **the world came into being through him**; yet the **world did not know him**. 11 **He came to what was his own, and his own people did not accept him**. 12 But to all who received him, who believed in his name, **he gave power to become children of God**, 13 who were born, not of blood or of the will of the flesh or of the will of man, but of God.

14 And the **Word became flesh and lived among us**, and **we have seen his glory**, the glory as of a father's only son, full of grace and truth. 15 (John testified to him and cried out, "This was he of whom I said, 'He who comes after me ranks ahead of me because he was before me.'") 16 From his fullness we have all received, grace upon grace. 17 The law indeed was given through Moses; grace and truth came through Jesus Christ. 18 **No one has ever seen God**. It is God the only Son, **who is close to the Father's heart**, who has made him known.

Word - Verbal/Linguistic			
Eye - Visual/Spatial	we have seen his glory... No one has ever seen God.	<i>see also Natural</i>	
Math - Logical/Mathematical	the Word became flesh and lived among us	why is the incarnation temporary? possibly as a learning curve - we go along side the Incarnate Word and then after achieving some experience, we are to go out with lessons learned.	https://ykyuen.files.wordpress.com/2013/08/learning-curve.jpg
Body - Kinesthetic	the Word became flesh and lived among us	the word "incarnate" can also be translated as	set up a small tent in the chancel or maybe narthex

		<p>“tabernacle” - the implication being that God has come to be WITH us - but only for a while</p>	<p>emphasize the mobility of camping - a tent is meant to be transported from place to place - tents go where people go</p>
Musical			
Natural	<p>the world came into being through him</p>	<p>[vss 14-18] Jesus makes possible a direct experience of the invisible God >> Large Hadron Collider makes it possible to detect the presence of otherwise invisible particles</p> <p>A catalyst added to certain solutions makes visible otherwise invisible components (like on CSI when they spray that stuff that makes blood show up)</p>	<p>Use black light and fluorescent ink to make a sign that says “GOD” or a verse of scripture or something. It will be invisible in ordinary light but appear under the black light. (I recognize this may not be quickly available, but you can get such online for cheap if you the time -- http://www.blacklight.com/Blacklight-Ink -- or see if you have any ravers in your youth group. Or try this for extracting fluorescein from highlighters: https://www.youtube.com/watch?v=zIpoLiesBgg)</p> <p>Also, there may be other science experiments you can do, but I can’t find any that use household substances. Keep looking and let us know if you find something!</p>
