Episode: COrd2x2016

Text: Psalm 36:5-10 (NRSV)

5 Your **steadfast love**, O LORD, extends **to the heavens**,
your **faithfulness to the clouds**.

6 Your righteousness is like **the mighty mountains**,
your judgments are like **the great deep**;
you save **humans and animals** alike, O LORD.

7 How precious is your **steadfast love**, O God!
All people may **take refuge** in the **shadow of your wings**.

8 They **feast** on the **abundance of your house**,
and you give them **drink** from the **river of your delights**.

9 For with you is the **fountain of life**;
in your light we see light.

10 O continue your **steadfast love** to **those who know you**,
and your salvation to the upright of heart!

Math - Logical/Mathematical	steadfast love	Mathematical attractors - formulas or systems where input from various points will narrow down to the same solution	strange attractors - chaotic magnetic toys - come back in pattern if not in point a dynamic system that stays in pattern http://www.stsci.edu/~lbradley/seminar/attractors.html https://en.wikipedia.org/wiki/Attractor
Body - Kinesthetic	refuge, feast, drink	three basic physical needs ramped up! God meets these basic needs and then some - not just a nibble but a feast, not just a sip of water but drinking of God's delights and the refuge is more than just shelter - it is a safe home	If communion is served this day, try to incorporate some of these images in the <i>invitation to the table</i> like the one we will write....

	animals, river, light		
People - Interpersonal	steadfast love, faithfulness	sometimes think of God as being monolithic, hard like oak but in dealing with human beings, there is a need for flexibility like a willow God could be hard and monolithic but God chooses to be with us	anchored.... rooted What natural image presented in the psalm represents your idea of steadfast love or faithfulness?
Self - Intrapersonal	those who know [God}		after this Psalm is read, allow time for silent contemplation of God's character revealed in these images. How well can we "know" God based on them? this might be something to send home as homework
