

More Than Hearing Worksheet

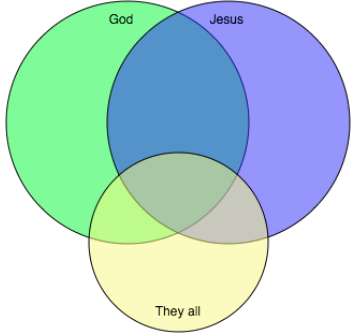

Episode: CEaster7x2016

Text: John 17:20-26

20 “I ask not only on behalf of these, but also on behalf of those who will believe in me through their word, 21 that they may all be **ONE**. **As you, Father, are in me and I am in you, may they also be in us**, so that the world may believe that you have sent me. 22 The glory that you have given me I have given them, so that they may be **ONE**, as we are **ONE**, 23 **I in them and you in me**, that **they may become completely ONE**, so that the world may know that you have sent me and have **loved** them even as you have **loved** me. 24 Father, I desire that **those also, whom you have given me, may be with me where I am, to see my glory**, which you have given me because you **loved** me before the foundation of the world.

25 “Righteous Father, **the world does not know you, but I know you**; and these know that you have sent me. 26 I made your name known to them, and I will make it known, **so that the love with which you have loved me may be in them, and I in them.**”

Word - Verbal/Linguistic			Make posters with each of the key words of the passage - ONE, LOVE, KNOW (maybe BELIEVE) - and have volunteers (kids would be great) stand up front and lift their “cue card” whenever the word is read. Have everyone say the words together when they appear.
Eye - Visual/Spatial	V 21		Make a string of paper dolls that fold into a single form (use a big enough piece of paper that it will be easily seen) https://www.youtube.com/watch?v=pocc2DdmrF4
Math - Logical/Mathematical	V 21	What does it mean for many people to be one, and to be one with Jesus, or one with God? How can the finite be in union	Venn diagram? Could get really complicated. This is likely an early pointer toward the Trinity.

		<p>with the infinite? Set theory: <i>union</i> is all the elements that appear in two or more sets; <i>intersection</i> is the elements that appear in both or all sets.</p> <p>http://www.themathlab.com/geometry/section2/union%20and%20intersection.htm</p> <p>https://www.khanacademy.org/math/probability/independent-dependent-probability/basic_set_operations/v/intersection-and-union-of-sets</p> <p>So if we think of what Jesus is saying as “union with God,” which is language often used by mystics and contemplatives, it is not that we become God (or even gods) or that God is any way diminished, but rather that we experience the presence of all that God is and all that we are, both together at once.</p> <p>The set “God U us” may arbitrarily be called “One.”</p>	 <p>A Venn diagram consisting of three overlapping circles. The top-left circle is green and labeled 'God'. The top-right circle is blue and labeled 'Jesus'. The bottom circle is yellow and labeled 'They all'. The intersections of the circles are shaded: the intersection of God and Jesus is dark blue; the intersection of God and They all is light green; the intersection of Jesus and They all is light blue; and the intersection of all three is a darker, brownish-grey color.</p>
<p>Body - Kinesthetic</p>			<p>If you don't ordinarily promote physical contact in your service, like holding hands or hugging or laying a hand on the shoulder, this is a good opportunity to try it. Acknowledge that not everyone is comfortable with it, but invite everyone hold hands or put a hand on the shoulder or touch elbows</p>

			at some point, maybe for the benediction, to express our unity in Christ. Remember that aisles are made for crossing.
Musical	<p>Vs 23</p> <p>Vs 23,24,26</p> <p>Vs 25,26</p>	<p>Use Beatles lyrics - Sing? Play clips?</p> <p>Goo goo g'joob - <i>I Am the Walrus</i></p> <p>Love, love, love - <i>All You Need Is Love</i></p> <p>He say, "I know you, you know me." (One thing I can tell you is you got to be free.) - <i>Come Together</i></p>	
Natural			
People - Interpersonal		Our longing to know as we are known by God, and to be fully known by others (also a great fear!)	<p>Once saw this sign:</p> <p>"Jesus knows me, this I love."</p> <p>It made me cry.</p>
Self - Intrapersonal
