

[Intro]

I can ride my bike with no handlebars  
No handlebars, no handlebars  
I can ride my bike with no handlebars  
No handlebars, no handlebars

[Verse 1]

Look at me, look at me  
Hands in the air like it's good to be  
Alive, and I'm a famous rapper  
Even when the paths are all crooked-y  
I can show you how to dos-si-do  
I can show you how to scratch a record  
I can take apart the remote control  
And I can almost put it back together  
I can tie a knot in a cherry stem  
I can tell you about Leif Ericson  
I know all the words to "De Colores"  
And I'm proud to be an American  
Me and my friends saw a platypus  
Me and my friend made a comic book  
And guess how long it took?  
I can do anything that I want, cause look

[Hook 1]

I can keep rhythm with no metronome  
No metronome, no metronome  
And I can see your face on the telephone  
On the telephone, on the telephone

[Verse 2]

Look at me, look at me  
Just called to say that it's good to be  
Alive, in such a small world  
I'm all curled up with a book to read  
I can make money, open up a thrift store  
I can make a living off a magazine  
I can design an engine 64 miles to a gallon of  
gasoline  
I can make new antibiotics  
I can make computers survive aquatic conditions  
I know how to run the business  
And I can make YOU wanna buy a product  
Movers, shakers, and producers  
Me and my friends understand the future  
I see the strings that control the systems  
I can do anything with no assistance, cause

[Intro]

I will make with you my covenant  
My covenant, my covenant.  
I will make with you my covenant  
My covenant, my covenant.

[Verse 1]

Look at me, look at me,  
Bow in the air, ain't it good to be  
Alive, and I will never ever  
Bring an end to all kinds of critters  
By bringing on another giant flood  
Even if life becomes all kinds of bitter  
This is my promise eternally good.  
And now everyday we will be together.  
I will put my bow in the clouds up there  
When I see my bow and the crowds down there  
I'll think of the words that I say today  
And remember not to sweep you away today  
We will be friends with the animals  
We will all be so compatible  
I hope eternity's understandable  
'Cause my promise is infallible, so look

[Outro]

I will make with you my covenant  
My covenant, my covenant.  
I will make with you my covenant  
My covenant, my covenant.

[Hook 2]

I can lead a nation with a microphone  
With a microphone, with a microphone  
And I can split the atoms of a molecule  
Of a molecule, of a molecule

[Trumpet Interlude]

[Verse 3]

Look at me, look at me, driving and I won't stop  
And it feels so good to be alive and on top  
My reach is global, my tower secure  
My cause is noble, my power is pure  
I can hand out a million vaccinations  
Or let 'em all die in exasperation  
Have 'em all healed from their lacerations  
Or have 'em all killed by assassinations  
I can make anybody go to prison  
Just because I don't like 'em  
And I can do anything with no permission  
I have it all under my command because

[Hook 3]

I can guide a missile by satellite  
By satellite, by satellite  
And I can hit a target through a telescope  
Through a telescope, through a telescope  
And I can end the planet in a holocaust  
In a holocaust, in a holocaust  
In a holocaust, in a holocaust, in a holocaust

[Intro]

I can ride my bike with no handlebars  
No handlebars, no handlebars  
I can ride my bike with no handlebars  
No handlebars, no handlebars
