Episode: BOrd14x2018

Text Mark 6:1-13

He left that place and came to his hometown, and his disciples followed him. 2 On the sabbath he began to teach in the synagogue, and many who heard him were astounded. They said, "Where did this man get all this? What is this wisdom that has been given to him? What deeds of power are being done by his hands! 3 Is not this the carpenter, the son of Mary and brother of James and Joses and Judas and Simon, and are not his sisters here with us?" And they took offense at him. 4 Then Jesus said to them, "Prophets are not without honor, except in their hometown, and among their own kin, and in their own house." 5 And he could do no deed of power there, except that he laid his hands on a few sick people and cured them. 6 And he was amazed at their unbelief.

Then he went about among the villages teaching. 7 He called the twelve and began to send them out two by two, and gave them authority over the unclean spirits. 8 He ordered them to take nothing for their journey except a staff; no bread, no bag, no money in their belts; 9 but to wear sandals and not to put on two tunics. 10 He said to them, "Wherever you enter a house, stay there until you leave the place. 11 If any place will not welcome you and they refuse to hear you, as you leave, shake off the dust that is on your feet as a testimony against them." 12 So they went out and proclaimed that all should repent. 13 They cast out many demons, and anointed with oil many who were sick and cured them.

Math - Logical/Mathematical MWD			Draw a bar graph showing Honor vs. Groups. Groups might include gov't officials, priests, pop singers, cultural elites, 1%, baseball players, food service industry, you know, whatever you want. All these would have bars reaching various but significant amounts of honor (which might be in percent?). Then somewhere in there have family and hometown with honor levels of 0%. It's all made up, but it makes the point. <i>See below.</i>
Body - Kinesthetic D2		Have you ever actually shaken the dust from your feet against someone? I have. If you have and can safely tell the story, and how you felt and how you now feel about it, do so.	Invite your folks to call to mind someone towards whom they carry resentment for a past wrong. Then invite them to take off their shoes and shake off their resentment!
