Episode: CAdvent1x2015

Text: Jeremiah 33:14-16

14 The days are surely coming, says the Lord, when I will fulfill the promise I made to the house of Israel and the house of Judah. 15 In those days and at that time I will cause a righteous Branch to spring up for David; and he shall execute justice and righteousness in the land. 16 In those days Judah will be saved and Jerusalem will live in safety. And this is the name by which it will be called: "The Lord is our righteousness."

Natural	righteous branch will spring up	(see Eye above) seeds can remain dormant for a very long time, but when the right conditions appear - enough water, light, and soil - the seed grows into a new plant • Jack pines and lodgepole pines have “serotinous” cones covered in resin that must be melted by fire before the seed can grow	<< find some of these, pass them around • plant some seeds a few weeks before the service and bring in the seedlings that hopefully will have grown • Get a Chia pet and apply the seed goop during the sermon. Have it in the worship space through Advent.
