

There are many members

but one body

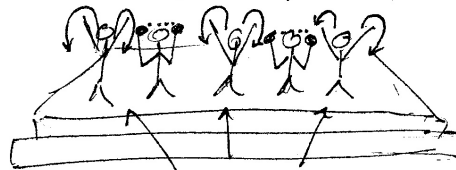

some are
Jews

some are
gentiles

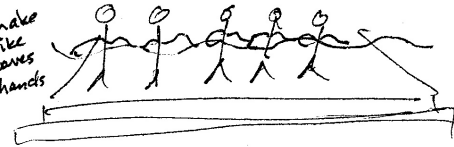

some are slaves

some are free

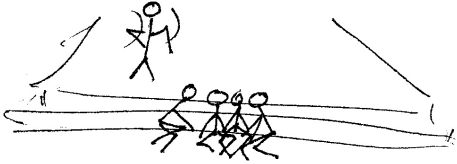

all were baptized into
one Spirit

make
like
nails
w/hands

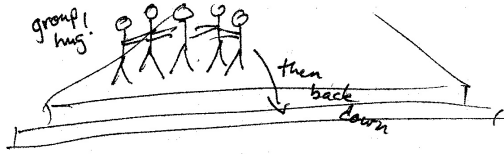

some are free

if the foot said
I don't belong to the body

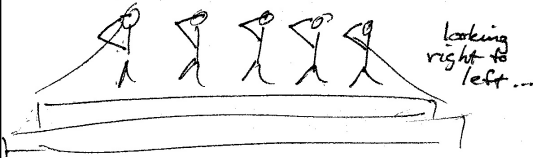

that would not make it
any less a part of the body

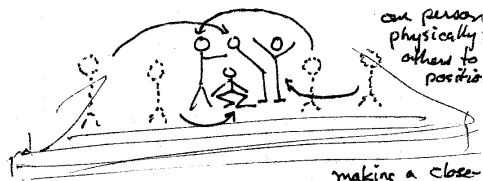

Repeat w/ ear

If the whole body were an eye -

Same with "ear" -> listen ^{left} ~~right~~ to right

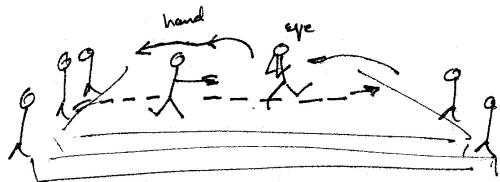

as it is, God arranged the parts
just as He wanted them

one person
physically
others to
position

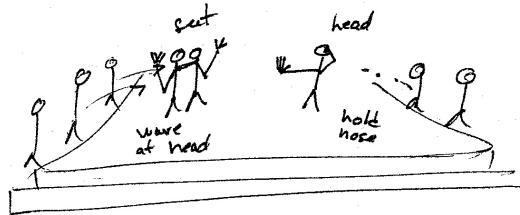

making a closer
arrangement
of some sort

the eye can't say to the hand
"I have no need of you!"

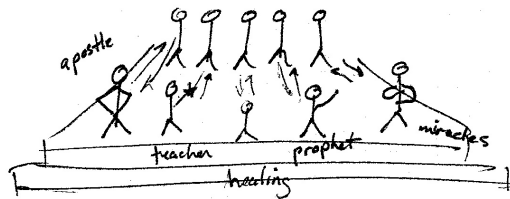

eye & hand trade sides

the head can't say to the feet
"I don't need you!"

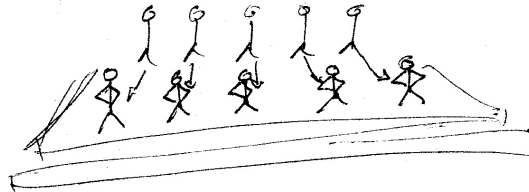

God has appointed first apostles
then prophets then teachers ...

each comes forward, strikes pose
& returns to place while
next one comes forward

Are all apostles? Are all prophets?

All come forward & do each pose
together
