Episode: AAdv1x2016

Text: Isaiah 2:1-5

This is a vision that Isaiah son of Amoz saw concerning Judah and Jerusalem:

2 In the last days, **the mountain** of the Lord's house
will be the highest of all—

the most important place on earth.

It will be raised above the other hills,
and **people from all over the world** will stream there **to worship.**

3 **People from many nations** will come and say,
“Come, **let us go up** to the mountain of the Lord,
to the house of Jacob's God.

There **he will teach us** his ways,
and **we will walk in his paths.**”

For **the Lord's teaching** will go out from Zion;
his word will go out from Jerusalem.

4 The Lord will **mediate between nations**
and will **settle international disputes.**

They will hammer their swords into plowshares
and their spears into pruning hooks.

Nation will no longer fight against nation,
nor train for war anymore.

5 Come, descendants of Jacob,
let us walk in the light of the Lord!

He asked, "How can a person tell when the darkness ends and the day begins?" After thinking for a moment, one student replied, "It is when there is enough light to see an animal in the distance and be able to tell if it is a sheep or a goat." Another student ventured, "It is when there is enough light to see a tree, and tell if it is a fig or an oak tree." The old Rabbi gently said, "No. It is when you can look into a man's face and recognize him as your brother. For if you cannot recognize in another's face the face of your brother, the darkness has not yet begun to lift, and the light has not yet come."</p>	<p>UN sculpture And here</p> <p>To see words:</p> <p>A la Google doodles!
