Episode: BEaster4x2018

Text: Acts 4:5-12

5 The next day their rulers, elders, and scribes assembled in Jerusalem, 6 with **Annas the high priest, Caiaphas, John, and Alexander, and all who were of the high-priestly family.** 7 When they had made the prisoners **stand in their midst**, they inquired, “By what power or by what name did you do this?”

8 Then Peter, **filled with the Holy Spirit**, said to them, “Rulers of the people and elders, 9 if we are questioned today **because of a good deed done to someone** who was **sick** and are asked how this man **has been healed**, 10 **let it be known to all of you, and to all the people of Israel**, that **this man is standing before you** in **good health** by the name of **Jesus Christ of Nazareth**, whom you crucified, whom God raised from the dead. 11 This Jesus is

**‘the stone that was rejected by you, the builders; it has become the cornerstone.’**

12 There is salvation in no one else, for there is **no other name** under heaven given among mortals by which we must **be saved.**”

Word - Verbal/Linguistic	Vs 11 - Psalm 118:22  Vs 7 - power = <i>dumanis</i>	Vs 10 → “The “name of Jesus” is not a passcode to get into heaven. It is the power for the ongoing healing of every sort of human brokenness here and now. {snip} To affirm resurrection is to proclaim the greatest annoyance that any life-taking power on earth might hear.” ~ <a href="#">J.R. Eye - Visual/Spatial  MWD	Jesus is the key to unlocking power that heals and saves.	Vs 7 & vs 10 → The man standing in front of the council is a living before and after picture. This	You could find before and after pictures on the internet, but be careful; some examples can be

		<p>may be why there is such a fuss; the man is like the man born blind in John 9 - his circumstances have changed so radically everyone has trouble coming to grips with it.</p>	<p>disturbing depending on what parameters you enter. I put in a simple “before and after” and got the typical weight loss photos but also pictures of people who had been attacked and people who had been ravaged by drug use.</p>

The author challenges the “religion of thinness” in previous posts and explores in this post the “... overall sense of mental, physical, and spiritual well being that was originally associated with the term (salvation).”</p>	<p>When is healing salvation? When is salvation healing?</p> <p>Do you have anyone in your congregation who has come through an extensive healing process? Or anyone who is in the midst of a healing struggle? How do being made whole and being saved relate to their experience?</p>
