Episode: BEaster3x2018

Text: Luke 24:36b-48

36 While they were talking about this, *Jesus himself stood among them and said to them*, “Peace be with you.” 37 They were startled and terrified, and thought that they were seeing a ghost. 38 He said to them, “Why are you frightened, and why do doubts arise in your hearts? 39 Look at my hands and my feet; see that it is I myself. Touch me and see; for a ghost does not have flesh and bones as you see that I have.” 40 And when he had said this, he showed them his hands and his feet. 41 While in their joy they were disbelieving and still wondering, he said to them, “Have you anything here to eat?” 42 They gave him a piece of broiled fish, 43 and he took it and ate in their presence.

44 Then he said to them, “These are my words that I spoke to you while I was still with you--that everything written about me in the law of Moses, the prophets, and the psalms must be fulfilled.” 45 Then he opened their minds to understand the scriptures, 46 and he said to them, “Thus it is written, that the Messiah is to suffer and to rise from the dead on the third day, 47 and that repentance and forgiveness of sins is to be proclaimed in his name to all nations, beginning from Jerusalem. 48 You are witnesses of these things.

Word - Verbal/Linguistic	Human bodies matter = central proclamation of the Resurrection.	Black Lives Matter This phrase is a proclamation about the importance of human beings with darker skin tones. The above link is to the herstory of the movement.	Anyone bold enough to have a BLM chapter representative come speak to your congregation?
Eye - Visual/Spatial D2		Jesus appearing and the disciples not quite getting that he is actually there reminds me of this floating message gadget where the words appear to float in air with no physical cause. Luke Skywalker's appearance in Star Wars

Math - Logical/Mathematical MWD		Vss. 44-47 – Context is so important to understanding! Consider a mathematical or scientific formula, like $E=mc^2$ or $V=d/t$. Until you know what the letters mean you won't really understand the formula.	
Body - Kinesthetic both	<p>“You guys got anything to eat?”</p> <p>Feeding Jesus, by Andrew Prior</p> <p>“We know our bodies are important to God because their creation occurs at the very beginning of God’s and our story. Indeed, the Bible is a book about bodies – live bodies, dead bodies, longing bodies, hungry bodies. Jesus lived an embodied life, died a bodily death and was raised to a newly transformed bodily life, a life which continues to be embodied in the Church.”</p> <p>~Jake Wilson, The Ekklesia Project</p>	<p>Vss. 36-40 Like digging in the garden to prepare the soil and hitting a large wooden box. At first you are so surprised you think it is a coffin! But it turns out to be a treasure chest. Hurray!</p> <p><i>BODY because of digging, but also NATURE for being in the garden.</i></p> <p>“Once, in a class I taught in a prison, the incarcerated men started talking about which officers and staff would and wouldn’t shake their hands. To shake hands was a sign of respect, of mutuality, of recognition that they shared at least one thing in common: their human flesh. The men all agreed that they were grateful for the new chaplain who had started that week, because he looked them in the eyes and shook their hands. I could imagine them saying the words of Jesus, “Touch me and see.” Shake my hand and discover that I am human like you.”</p> <p>~Isaac S. Villegas, Christian Century</p>	<p>⇨ As you pass the peace in worship, encourage people to concentrate on the feel of others’ hands; temperature, texture, pressure. Encourage everyone to look into each other’s eyes, too. Some may be inclined to give a hug or a kiss on the cheek; that’s good, too. Keep in mind that no one is required to make physical contact if they are not comfortable with it.</p>
