Text Hebrews 9:11-15

11 But when Christ came as a high priest of the good things that have come, then through the greater and perfect tent (not made with hands, that is, not of this creation), 12 **he entered once for all into the Holy Place**, not with **the blood of goats and calves**, but **with his own blood**, thus obtaining eternal redemption. 13 For if **the blood of goats and bulls**, with the sprinkling of the ashes of a heifer, sanctifies those who have been defiled so that their flesh is purified, 14 how much more will **the blood of Christ**, who through the eternal Spirit **offered himself without blemish** to God, purify our conscience from dead works to worship the living God!

15 For this reason he is **the mediator of a new covenant**, so that **those who are called** may receive the promised eternal inheritance, because **a death has occurred** that **redeems them from the transgressions under the first covenant**.

Eye - Visual/Spatial MWD			<p>Vss. 12-14 - It's just about Halloween. Fake blood is going to be abundant and cheap if you want to get into a graphic representation of what worship used to be like. If you know what I mean. Yeah, as it says in vs. 13, it included pouring and splattering blood all over the place. Be careful how you proceed with this.</p> <p>Vs. 15 - If you have access to some sodium carbonate and phenolphthalein pH indicator, you could do this demonstration to indicate how our sin under the first covenant stains us and Jesus' work as high</p>

			priest purifies us. If you don't have those chemicals, try this demonstration with more readily available ingredients.
Math - Logical/Mathematical D2		The lesser to greater argument, a form of a fortiori , is used here: if the blood of a goat is good, how much better the blood of Messiah?
