Text Hebrews 9:24-28

24 For Christ did not **enter a sanctuary made by human hands**, a mere copy of the true one, but **he entered into heaven itself**, now to appear in the presence of God **on our behalf**. 25 Nor was it to offer himself again and again, as the high priest enters the Holy Place year after year with blood that is not his own; 26 for then **he would have had to suffer again and again** since the foundation of the world. But as it is, he has appeared **once for all** at the end of the age to remove sin by the sacrifice of himself. 27 And just as **it is appointed for mortals to die once**, and after that the judgment, 28 so Christ, having been offered once to bear the sins of many, will appear a second time, **not to deal with sin, but to save** those who are eagerly waiting for him.

It's a digital simulation of space real or imagined that lets you experience being in that space through a computer interface, such as video screen goggles. Even if the simulation is blocky and laggy, your brain will experience it as if you were there.</p> <p>But how much better to actually be there?</p> <p>Here's another link for VR.</p> <p>Here's a demo of industrial use VR.
