Episode: Reign of ChristBx2018

Text: John 18:33-37

33 Then Pilate entered the headquarters again, summoned Jesus, and asked him, “Are you the King of the Jews?” 34 Jesus answered, “Do you ask this on your own, or did others tell you about me?” 35 Pilate replied, “I am not a Jew, am I? Your own nation and the chief priests have handed you over to me. What have you done?” 36 Jesus answered, “My kingdom is not from this world. If my kingdom were from this world, my followers would be fighting to keep me from being handed over to the Jews. But as it is, my kingdom is not from here.” 37 Pilate asked him, “So you are a king?” Jesus answered, “You say that I am a king. For this I was born, and for this I came into the world, to testify to the truth. Everyone who belongs to the truth listens to my voice.”

Word - Verbal/Linguistic D2	King = βασιλεὺς or sovereign; maybe even suzerain? The word designates a physical and political reality. Eye - Visual/Spatial MWD		This plays a bit like a scene from <i>Perry Mason</i> , or some other courtroom procedural, where the two attorneys confront each other's arguments, each trying to move the case in a different direction. One might say they are trying to expose the truth, but then, what is truth? Also <i>PEOPLE</i> for drama. There might be better clips than this one .	Based on the word study of king above, bring in a collection of flags from nations, provinces, or countries. Also <i>PEOPLE</i>
