Episode: AAdv2x2019

Text: Isaiah 11:1-10

A shoot shall come out from the stump of Jesse, and a branch shall grow out of his roots. 2 The spirit of the Lord shall rest on him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and the fear of the Lord. 3 His delight shall be in the fear of the Lord. He shall not judge by what his eyes see, or decide by what his ears hear; 4 but with righteousness he shall judge the poor, and decide with equity for the meek of the earth; he shall strike the earth with the rod of his mouth, and with the breath of his lips he shall kill the wicked. 5 Righteousness shall be the belt around his waist, and faithfulness the belt around his loins. 6 The wolf shall live with the lamb, the leopard shall lie down with the kid, the calf and the lion and the fatling together, and a little child shall lead them. 7 The cow and the bear shall graze, their young shall lie down together; and the lion shall eat straw like the ox. 8 The nursing child shall play over the hole of the asp, and the weaned child shall put its hand on the adder's den. 9 They will not hurt or destroy on all my holy mountain; for the earth will be full of the knowledge of the Lord as the waters cover the sea.

10 On that day the root of Jesse shall stand as a signal to the peoples; the nations shall inquire of him, and his dwelling shall be glorious.

Body - Kinesthetic D2			Make a big Belt of Righteousness (like a boxing or wrestling championship belt) and a big Belt of Faithfulness, and put them on around [your or a volunteer's] waist and hips. The BOF might be like a gun holster belt that hangs on one hip and down to the opposite thigh?
Musical D2		Come, Come Emmanuel	
Natural MWD		<p>Lots of articles online about how to remove a stump from your yard once the tree is down - Epsom salts is an effective non-toxic way to dry up the moisture and remove it. It would seem that the stump of Jesse did not get the Epsom salts but instead, retained the moisture of God's attention and mercy.</p> <p>Snake venom has properties that scientists have learned are useful for treating heart attacks - yes, really. Hemotoxins target the circulatory system and prevents clotting compounds from functioning correctly. Now, when you are stricken with heart failure upon seeing a serpent, it's bite will revive you!!
